Parent/ Carer of

Dear Parent/ Carer,

Re: Year 6 Transition Week (Monday 8th – Friday 12th July 2024)

The Academy will host our transition week, Monday 8th July – Friday 12th July. This will provide an opportunity for all transition students to come to our school and pretend to be a Year 7 student for the week! Additional information is available from your child’s primary school.

Students need to arrive at Sirius Academy North each day via the main reception at 8:30am. Parents/ Carers are more than welcome to drop their child off and wait with them outside, but will not be able to enter the academy. Students will then need to be collected from the same place at 3:00pm.

Just a reminder that our Open Evening is on Thursday 27th June. In order to claim a free tie and £5 off voucher for uniform, the data booklet must be completed. Please scan the QR code below.

We would also like to invite you to download the Myed, I-Parent & Parentmail app in preparation for September. **This is very important.**

The **MyEd** app will keep you up to date with both messages about your child's attendance, behaviour and invites onto trips or events. We use this messaging platform to keep in contact with parents/ carers about important information, including parents evenings, so it is crucial you download this, so you don't miss out on any information to do with your child.

The **Parent Mail** app you can use to top up dinner accounts, pay for trips and any outstanding stationery.

The **I-Parent** app offers a useful way to gain quick access to your child's school information and keep up-to-date with how well they are getting on at school. We are working to put all modules on-line this will be achieved in stages as we become more confident with all its functionality.

Please find enclosed instructions on how to download the apps. If you would like further information on how to download, please contact the academy on 01482 349600 or email admin@siriusacademynorth.org.uk

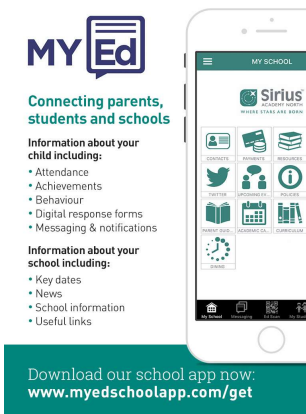

Please note that sign up for all trips and celebration events will be via MyEd so for your child to take part, you will need access to the MyEd app.

Please search below apps on Google Play or Apple app store.
